MEMORANDUM

SUBJECT: Cancellation of Site Inspections at:  
P.B.I. Gordon Site, Kansas City, Kansas  
Vulcan Materials, Wichita, Kansas  
Missouri Pacific Railroad, St. Louis, Missouri

FROM: Paul E. Doherty, Chief  
SINV/EP&R/ENSV *pld*

TO: Robert L. Morby  
Chief, WMBR/ARWM

THRU: William J. Keffer *WJKeffer*  
Chief, EP&R/ENSV

John C. Wicklund *JCWicklund*  
Director, ENSV

David A. Wagoner *DAWagoner*  
Director, ARWM

As per instructions from Bob Feild of your staff we have cancelled plans to perform field investigations at the above referenced sites.

Preliminary work had already been initiated on the P.B.I. Gordon site. We are attaching a "draft" Site Inspection Report form for your information.

No work will be conducted on these sites until further notice.
